NEOGEN

FOR OVER 30 YEARS NEOGEN HAS BEEN A GLOBAL LEADER IN FOOD AND ANIMAL SAFETY, OFFERING A COMPREHENSIVE RANGE OF SOLUTIONS AT EVERY STEP OF THE SUPPLY CHAIN, FROM FARM TO FORK.

At Neogen®, we partner with our customers to protect and enhance the world's level of food and animal safety.

By offering a diverse suite of solutions for the food, beverage, animal protein and agriculture industries, Neogen empowers our customers to safeguard their brands and create better products.

Our extensive range of onsite testing solutions include rapid, easy to use diagnostic kits for allergens and mycotoxins, complete hygiene monitoring systems, as well as comprehensive rapid and traditional microbiology solutions. Trusted by food industry leaders and regulators all around the world, our advanced technologies ensure food product quality and safety at the highest levels.

At Neogen, we are committed to preventing foodborne illnesses and safeguarding public health.

We continue to add to our existing capabilities with more innovative products and food safety expertise to help make you make your laboratory and production more efficient.

We've built and acquired new manufacturing and distribution facilities and continue to expand our global presence — to allow you even more access to the products and services you need wherever you are.

As a trusted food safety testing partner, we reach all segments of the processing and manufacturing industry, from dairy and beverage to meat and feed.
